BURLINGTON SCHOOL DISTRICT F 18: STUDENT INSURANCE PROGRAM

Former Policy JHA

The Board recommends that all students have medical insurance for their and their parent's protection. Although arranging for such insurance is the responsibility of the student and parents or guardians, the Board will name an insurance carrier each year to offer group rates. Although participation in the group plan is purely optional; however, students participating in intramural/interscholastic athletics will be required to have medical insurance.
