

POLICY H 7

Burlington School District Policy H 7: DISTRIBUTION / POSTING OF MATERIALS

Former Policy KJA

Individuals or groups wishing to distribute materials must submit the material to the superintendent or his/her designee for approval before the proposed distribution.

The Superintendent or his/her designee will approve or disapprove the distribution of materials on the basis of the materials' acceptability and appropriateness in light of the District's mission and legal responsibilities. Materials which support profit making enterprises must, in addition, be judged to contribute significantly to a District instructional program or to the well being of the general community.

The Superintendent or his/her designee may require a statement on distributed materials which indicates that the organization or activity is not sponsored by the Burlington Schools.
