Bib Safety Pins

- **All High Schools will provide bib safety pins for their runners.(2012 NVAC Coaches mtg.rule)**

Timing Chips

- Every athlete will have assigned bib and **TWO (2) timing chips**. COMPETITOR'S NUMBERS (bibs) AND CHIPS MUST BE ISSUED CORRECTLY TO EVERY PARTICIPATING ATHLETE ACCORDING TO THE TEAM ROSTER.
- A team coach will receive 2 sets of timing chips with the same number's sequence, wire ties, bibs and team roster with bib/chips team assignment.
- Every athlete will receive two (2) timing chips – one for each shoe. (per NFHS Rules Book, Rule 9.9.3)
- Every athlete must attach assigned chips to his/her shoes using wire ties – must see instructions bellow. Four (4) wire ties per runner will be provided inside a school envelop.
- An athlete's shoes are the only location for chips.
- An athlete without chips or chips attached at/on a different location other than shoes will not be timed.
- Coaches are responsible for all chips issued to their team / school.
- Unused chips of non-participating athletes must be returned to the race finish before the race start.
- ***Both numbers on chips must match an athlete's bib number. (Example - athlete assigned bib 45 will attach 2 chips each with the same number 45 to his/hers right and left shoe.***
- Chips will be collected at the end of the finish chute.
- Athletes not finishing the race must bring their chips to the end the finish chute.
- There will be \$20.00 charge for every unreturned/lost/damaged chip.

Finish Line / Chute

- **There will be no single file finish chute.**
- Finish line cameras may be used to assure the most accurate order of finish.
- **Finish line will be the 1st edge of the 1st timing matt of the running direction.**
- Finish chute will be approx. 15 feet (5 meters) wide and up to 100 feet (30 meters) long.
- An athlete must cross all blue timing mats (up to 4 mats) at the finish than proceed to the end of the finish chute where his/her chip will be collected.
- There is no need to stay in the finish order after crossing the timing matts.

<p>Step 1</p> <p>Thread the wire ties under your shoe laces</p>	
<p>Step 2</p> <p>Thread the IPICO Sport Tag onto the wire ties</p>	
<p>Step 3</p> <p>Secure the IPICO Sport Tag by twisting the wires</p>
